We have received, for the first time ever, the name of a Membership Chairman in every Subordinate Temple! What an outstanding accomplishment! The Supreme Temple Committee Members will be contacting these ladies and offering them any assistance needed to help in Recruiting members, Reinstating members, Mentoring members, and Retaining members.

create some buzz!

Since we are celebrating our 100th Birthday this year, there is an additional focus on public relations. Remember to place articles and pictures in your local newspapers; contact TV stations when you are having a special event; publish articles in your local Shrine Temple publications; and participate in parades and civic celebrations. Make our Organization known in the

community. Send these publications to our Committee, so you can be recognized for your efforts.

Always feel free to contact ANY member of our Committee for advice and assistance. We are here to serve everyone.

It is contingent on each and every member of Daughters of the Nile to do her part in helping to promote, sustain, and increase membership numbers. Dedication and Commitment on the part of our existing membership is a MUST if we are to succeed in the growth and survival of our 139 Temples. Don't let your Temple be the next nail in the coffin.

Be the spark that IGNITES this committee. No one person or no one committee can do it alone. It is EVERYONE'S job. Do your Part! The children need our continued love and assistance. A committee is only as good as the most knowledgeable, determined, and vigorous person on it. There must be somebody who provides the flame.

**YOU CAN BE THE PERSON WHO PROVIDES THE FLAME
IF YOU SET YOUR MIND TO IT.**
