

Daughters of the Nile

Supreme Temple Membership and Public Relations

Because you are a member of Daughters of the Nile, many children receive a better life. Because you pay your dues, because you make donations, we can contribute to Shriners Hospitals for Children®. Because you care!

Face it; we all struggle with difficult circumstances, irritations, and plain old sadness from time to time. However, something I have learned, is in spite of these emotional challenges, we can always choose our attitude. We each have a choice as to how we look at things in our lives. We can either choose an “If only” attitude or a “Because I can” attitude. It is always your choice!

When I was younger, I used to think; “If only I could be a movie star,” I would be happy! Now, I think I have so many great memories with friends all because I am a member of Daughters of the Nile.

Today, I challenge you to say, “Because I have a bank account, I can pay my bills, I can help others,” or “Because I am alive, I can work at being better person this year.” I have learned that life is about satisfaction, fulfillment, reaching goals, and friendships. All of these can be achieved through Daughters of the Nile. Yes, you can reach your goals!

Because you are a member of Daughters of the Nile, many children receive a better start to life. Because you care, the children continue to receive loving care and help from our Shriners Hospitals for Children®. We are all very thankful for that.

I feel better because I belong to Daughters of the Nile. Being a part of this great organization brings a smile to my face, and puts a joy in my heart, and I know it does yours also! Can you share that feeling with a friend or relative who is eligible to join? Membership responsibility belongs to each one of us in our temple! We all must commit to increasing membership to keep our organization alive, because we all care about the children and their futures!

Thank you for your commitment to our children. I can't think of another organization that has a deeper or greater purpose in life!

Aspire to inspire before you expire
