

A Nile Princess Can

(To the tune of "The Candyman Can")

By Jan Laird, Ahmose Tempe No. 63, Detroit, Michigan

**Who carries a pocket proposal,
Find it in her purse?
Show a prospective member how to
fill in all the blanks.
A Nile Princess can,
A Nile Princess can.**

**Who can show enthusiasm,
For Daughters of the Nile?
Let the world know of all
the good our members do.
A Nile Princess can,
A Nile Princess can.**

**Who can light a bonfire,
With just a spark of zest?
Keep our order exciting while
helping all our kids.
A Nile Princess can,
A Nile Princess can.**

**So I'll carry a proposal,
I never know who I'll meet.
She may be the spark to
light our temples fire.
A Nile Princess can,
A Nile Princess can.**
